

The Utah Core State Standards impact every school, teacher, and student in Utah. We recognize that there are not sufficient resources to support direct professional learning for every teacher in the state. The Core Academy is designed to provide a common platform of conversation and language throughout the state to support teachers' awareness of the new requirements and understanding of the assessments that will guide their instructional practice.

The summer Core Academy does not provide a trainer-of-trainers model; rather, districts are encouraged to create their own plans for continued development using those teachers who have been through the Core Academy as a resource.

The 2012 Core Academy will provide high quality instruction in Mathematics, Literacy in History/Social Studies, and Literacy in Science to complement and support the integration of the Utah Core State Standards and to ensure that all Utah students are college and career ready.

The Core Academy for summer 2012 will include the following content areas:

- Mathematics (grades K, 1, 2, 3, 4, 5, 7, 8)
- Secondary Mathematics II
- Literacy in History/Social Studies (6-8, 9-10, 11-12)
- Literacy in Science (6-8, 9-10, 11-12)

Schedule, proposed locations, and USOE lead:

June 11-14	June 18-21	June 25-28	July 9-12	July 16-19
Wasatch Central 1	St. George Regional	Vernal Regional	Cache Regional	Wasatch North 2

Provo District	Alpine District	Nebo District	Jordan District	Sevier District
Math	Math	Math	Math	All subjects

Please note that Literacy in History/Social Studies and Literacy in Science will be in six locations: Wasatch Central 1, St. George Regional, Vernal Regional, Cache Regional, Richfield Regional, and Wasatch North 2.

Enrollment

Districts are limited to enrolling teachers based on the following guidelines for the first two weeks of registration. Regional registration will open first, on February 1, and Wasatch Front registration will open on February 16.

Regional trainings

The following are the districts eligible to register for the regional sessions beginning February 1. Charter schools in those district boundaries are also eligible to register beginning on that date. All teachers should be aware that districts may choose to register teachers strategically and should check with the district curriculum office before registering prior to Friday, March 2.

CHARTER SCHOOL REGISTRATION GUIDELINES (Regional)

Charter schools may register one teacher per grade level or band (i.e., one teacher per grade in Mathematics, one teacher per grade band 6-8 in Science, one per grade band 9-10 in Science, etc.). Charter schools with multiple campuses are still considered one school.

Wasatch Front North, Central, South

Wasatch Front registration opens to teachers in Alpine, Canyons, Davis, Granite, Jordan, Murray, Nebo, Ogden, Provo, Salt Lake City, Tooele, and Weber on February 16. Charter schools in those boundaries are considered Wasatch Front. All teachers should be aware that districts may choose to register teachers strategically and should check with the district curriculum office before registering prior to Friday, March 2.

DISTRICT REGISTRATION GUIDELINES								
Size of district (# of students)	Maximum registration	Maximum allowed in math	Max per grade / math	Maximum allowed in SS/S	Max per band SS/S			
50,000+	192	160	18	30	5			
20,000-49,999	145	125	13	20	3*			
6,000-19,999	115	99	11	16	3*			

^{*}This number is not evenly divisible.

CHARTER SCHOOL REGISTRATION GUIDELINES (Wasatch Front)

Charter schools may register one teacher per grade level or band (i.e., one teacher per grade in Mathematics, one teacher per grade band 6-8 in Science, one per grade band 9-10 in Science, etc.). Charter schools with multiple campuses are still considered one school.

Registration

- Registration will open for Regional districts and locations on Wednesday, FEBRUARY 1, 2012.
 OnTrack will be monitored to ensure that the teachers registering between February 1 FEBUARY 15 are from the regional area. Those districts should encourage their teachers to register early in the window.
- Registration will open for the Wasatch Front districts and locations on Thursday, FEBRUARY 16.
 OnTrack will be monitored to ensure that the teachers registering between February 16 March 2 are from the Wasatch Front area. Those districts should encourage their teachers to register early in the window.
- On Friday, March 2, any seats left in either Regional or Wasatch Front sessions will be open to any teacher in the state regardless of their district boundaries. Charter schools will still be limited to one teacher per grade level.
- All restrictions on registration will be lifted on Friday, March 23 and any seats still available will be

open to teachers from any district or charter school. On March 23, charter schools may register one more teacher per grade level in any course.

- Registration will be required by individual teachers using the OnTrack system. LEAs will not be able to register teams of teachers. LEAs should work with the teachers they want to attend to encourage their early registration.
- Courses will be capped at 30 participants per section. OnTrack will start a waiting list after the limit of a section is reached.
- All teachers should be aware that districts may choose to register teachers strategically and should check with the district curriculum office before registering prior to Friday, March 2.
- Registration for all class will close on the Monday prior to the start date. At that time, no additional changes can be made using OnTrack.

Session information:

The Core Academy will run from 8:30 AM to 3:30 PM each day. We encourage you to arrive early to allow time to park and get to classrooms. The facility will begin promptly at 8:30 AM each day and we would like to keep interruption to a minimum.

Lunch and an afternoon break will be provided each day of the session. You may also want to bring additional water and snacks throughout the day.

Participants must register using OnTrack and provide current contact information, including an email address. LEAs may not register groups of teachers. Teacher need to provide an email address they will check in the summer.

Credit

Participants who attend all four full days of the Core Academy will receive two USOE credits. Credits will be posted on OnTrack after the session and completion of the post-session survey.

Core State Standards

More information about the Standards, including the full text, can be found at http://www.corestandards.org/.

English/Language Arts

Districts and charter schools in specified geographic areas may apply for funds to run CCSS ELA academies using trained and approved teachers. CCSS trainings may occur from June 1-December 30, 2012. More information and an application will be published shortly.

Final summary

This schedule allows for approximately 5130 teachers in the Academy over five weeks:

- 2700 elementary teachers to study Mathematics
- 1350 secondary teachers to study Mathematics
- 540 teachers to study Science
- 540 teachers to study Social Studies
